

FUSION CUISINE

" Gate03 takes you to Italy and Japan. You are the pilot, so if Duomo di Milano isn't enough, we're taking you to Haneda before sending your taste buds off to the heart of Tokyo.

Gate03 is there, there and here.

It is where the Mediterranean meets Japan.

It is where crudo meets sashimi.

Where battered Roman zucchini flowers meet ebi tempura.

It is where noodles meet spaghetti.

**This is my journey of adventures and flavours.
Hop on board! "**
